

Performance Classes

Performance classes are for those students who want to perform but do not want to compete or have the time for the Performing Company. Dancers must be at a strong Advanced beginning level or higher to be a part of this class. This is a two-hour commitment. One hour of choreography and one hour of technique in the proper level & genre.

Performance classes will perform in our Winter Dance show & End of the Year show as well as locale performances such as Festival of Trees, Zoo lights, and Rose Festival to name a few.

Costume fees are additional. Performance classes may have multiple costumes per session.
